Training and Support Package for Local Authorities

Promoting equality and social justice in housing in Wales

www.taipawb.org | @TaiPawb

We are a charity and a membership organisation, with members from the housing, community, equality and other related sectors in Wales.

Our three key objectives for 2017-21 are:

- **To advance rights and increase fairness**
- **To foster excellence in equality and diversity**
- **To run an innovative and proactive organisation**

Our members are key to enabling us to achieve our purpose to inspire Wales to be a fairer place to live.

We recognise the important role that Local Authorities play, for example through homelessness prevention, provision of sites for gypsies and travellers, management of the Common Housing Register and Accessible Housing Register and membership of Public Service Boards, as well as direct management of housing for those who have not gone through the stock transfer process.

By subscribing to Tai Pawb's support package, you will become a member of Tai Pawb, demonstrating your commitment to equality and diversity for your local residents, staff, elected members, contractors and stakeholders.

While supporting our vital work, you will benefit from discounts on training, consultancy and events as well as gaining free access to a range of resources to support you in meeting your statutory requirements under the general Public Sector Equality Duty set out in the Equality Act 2010 and specific duties for Wales, imposed by the Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011.
