WHAT DOES BEING A MEMBER MEAN?

As a charity and membership organisation, we work positively and constructively with our members and other key stakeholders across Wales to advance equality and reduce prejudice, discrimination and marginalisation related to housing.

Our members inform and support our work as influencers and thought leaders, while benefiting from high quality services, support and networking through our member benefits.

Affiliate membership is aimed at the third sector, public sector organisations (excluding local authorities) and support providers.

We are passionate to have an impact on equality and social justice in housing and for our work to lead to meaningful change. Our engagement with our affiliate members drives our work and helps us make a real difference together.

Alicja Zalesinska, Tai Pawb CEO
