**Promoting equality and social
justice in housing in Wales**

www.taipawb.org | [@TaiPawb](https://twitter.com/TaiPawb)

We are a charity and a membership organisation, with members from the housing, community, equality and other related sectors in Wales.

Our three key objectives for 2017-21 are:

- **To advance rights and increase fairness**
- **To foster excellence in equality and diversity**
- **To run an innovative and proactive organisation**

Our members are key to enabling us to achieve our purpose to inspire Wales to be a fairer place to live.

Affiliate Membership is aimed at the third sector, public sector organisations (excluding local authorities) and support providers.

We are a valued partner and work proactively with our members and the wider housing sector providing leadership and raising the bar on equality, diversity and human rights issues whilst recognising the wider role that housing has to play in advancing equality, reducing disadvantage, tackling poverty and promoting health and well-being.

We are the primary driver in the promotion of equality, diversity and social justice in housing in Wales and are recognised nationally for our objective expertise and thought leadership in this area.
