**Promoting equality and social  
justice in housing in Wales**

[www.taipawb.org](http://www.taipawb.org) | [@TaiPawb](https://twitter.com/TaiPawb)

**We are a charity and a membership organisation, with members from the housing, community, equality and other related sectors in Wales.**

Our three key objectives for 2017-21 are:

- **To advance rights and increase fairness**
- **To foster excellence in equality and diversity**
- **To run an innovative and proactive organisation**

Our members are key to enabling us to achieve our purpose to inspire Wales to be a fairer place to live.

Our members provide homes and housing-related services for over 200,000 diverse people in Wales, many of whom are from traditionally marginalised and minority communities.

We are the primary driver in the promotion of equality, diversity and social justice in housing in Wales and are recognised nationally for our objective expertise and thought leadership in this area.

Through your support for our work, you will become a supporter of Tai Pawb, demonstrating your commitment to equality and diversity.

**While supporting our vital work, you will benefit from discounts on training, consultancy, and events as well as gaining free access to a range of resources to support you in meeting your legal requirements under the Equality Act 2010 as an employer and provider of services, including the Public Sector Equality Duty when carrying out work on behalf of housing associations and local authorities.**
