Housing Associations

**Promoting equality and social
justice in housing in Wales**

www.taipawb.org | [@TaiPawb](https://twitter.com/TaiPawb)

We are a charity and a membership organisation, with members from the housing, community, equality and other related sectors in Wales.

Our three key objectives for 2017-21 are:

- **To advance rights and increase fairness**
- **To foster excellence in equality and diversity**
- **To run an innovative and proactive organisation**

Our members are key to enabling us to achieve our purpose to inspire Wales to be a fairer place to live.

We are the primary driver in the promotion of equality, diversity and social justice in housing in Wales and are recognised nationally for our objective expertise and thought leadership in this area.

Membership of Tai Pawb demonstrates your commitment to equality and diversity for your tenants, staff, board members, contractors and stakeholders and supports our vital work, while also offering you a range of member benefits.
