

Gender Pay Gap – What Next?

Collecting and publishing gender pay gap data is only the start of understanding any gap in your organisation. We can help you to take the next steps.

GENDER PAY GAP PACKAGE

Tailored support to help you to:

- examine your data in more detail
- establish key areas which might be the causes of any gender pay gap
- meet with key staff to discuss the data in more detail
- facilitate a workshop with key staff to identify an appropriate action plan
- write up a short report with an action plan

COSTS:

- Support: 2.5 days (can be increased for additional fee)
- £1,765 Members (or £1,390 when using benefits)
- £2,360 Non-members

All costs exclude travel

EXPERT SUPPORT

Our Associate, Adele Baumgardt, has a wealth of experience and expertise on gender and sex equality. Her work includes responsibility for introducing the gender equality duty in Wales, working with Cardiff University on the Women Adding Value to the Economy project, and acting as Wales Commissioner for the Women's National Commission, amongst a wide range of other relevant experience.

NOT REPORTED YET?

Our Gender Pay Gap Package is aimed at members who have already collected and reported their data. Contact us for advice if you haven't yet collected your data.

OTHER SUPPORT FROM TAI PAWB

To find out about other support we can offer to help you tackle your gender pay gap, including training, consultancy, policy updates, and free job advertising, please visit our website or contact us using the details below.
