As a charity and membership organisation, we work positively and constructively with our members and other key stakeholders across Wales to advance equality and reduce prejudice, discrimination and marginalisation related to housing.

Our members inform and support our work as influencers and thought leaders, while benefiting from high quality services, support and networking through our member benefits.

Our supporter category is open to housing students and researchers, individuals with an interest in our work who are not affiliated to an organisation and small community groups with an annual income below £50,000.

We are passionate about having an impact on equality and social justice in housing and for our work to lead to meaningful change. Our engagement with our members drives our work and helps us make a real difference together.
