"Passionate, responsive, leaders and agenda shapers"
(Local authority with stock)

Local authorities have a vital role to play, not only through management of council housing for those who have not transferred their stock, but also through homelessness prevention, provision of gypsy and traveller sites, management of the Common Housing Register and Accessible Housing Register and as members of Public Service Boards.

Tai Pawb's training and support package for local authorities will help support you in meeting your statutory duties under the general Public Sector Equality Duty (Equality Act 2010) and specific duties for Wales (Equality Act 2010 (Statutory Duties)(Wales) Regulations 2011).

Even more benefits!

- Tai Pawb attendance at your working groups, equality panels etc. (depending on availability)
- Opportunities to showcase your good practice in relation to equalities to other RSLs, local and national government and wider civil society
- Opportunities to pioneer our innovative ideas and solutions, putting ideas into practice.

Your membership supports Tai Pawb to:

- Influence policy makers to make housing policy fairer
- Promote equality and social justice in the Welsh housing sector
- Develop our services to meet the sector's needs
