As a charity and membership organisation, we work positively and constructively with our members and other key stakeholders across Wales to advance equality and reduce prejudice, discrimination and marginalisation related to housing.

Our members inform and support our work as influencers and thought leaders, while benefiting from high quality services, support and networking through our member benefits, to help you meet your legal requirements under the Equality Act 2010 and Rent Smart Wales, including the Public Sector Equality Duty when carrying out work on behalf of housing associations and local authorities.

'They are always responsive – they are the right people to do the job' (Private landlord)

Becoming a supporter of Tai Pawb allows commercial organisations to send a clear message to all those they work with or are seeking to win contracts with, that equality and diversity is a priority for them and that they are accessing expert support to help them ever improve as an inclusive and diverse organisation.

Even more benefits!
