*Figures based on typical use – the value increases the more you use our services.

As a charity and membership organisation, we work positively and constructively with our members and other key stakeholders across Wales to advance equality and reduce prejudice, discrimination and marginalisation related to housing.

Our members inform and support our work as influencers and thought leaders, while benefiting from high quality services, support and networking through our member benefits.

Tai Pawb regularly provide me with information that may be of benefit to me and my organisation
(Local authority post stock transfer)

Local authorities have a vital role to play, not only through management of council housing for those who have not transferred their stock, but also through homelessness prevention, provision of gypsy and traveller sites, management of the Common Housing Register and Accessible Housing Register and as members of Public Service Boards.

Tai Pawb's training and support package for local authorities will help support you in meeting your statutory duties under the general Public Sector Equality Duty (Equality Act 2010) and specific duties for Wales (Equality Act 2010 (Statutory Duties)(Wales) Regulations 2011).

Even more benefits!

- Opportunities to showcase your good practice in relation to equalities to other RSLs, local and national government and wider civil society
- Opportunities to pioneer our innovative ideas and solutions and work with Tai Pawb on housing equality issues you are passionate about.
- Be first to find out new legislation or policy developments on equality issues and how they affect housing

Without our members, Tai Pawb could not:

- Influence policy makers to make housing policy fairer
- Promote equality and social justice in the Welsh housing sector
- Develop our services to meet the sector's needs
