Books

Robin DiAngelo examines how white fragility develops, how it protects racial inequality, and what can be done to engage more constructively.

Ijeoma Oluo explores the complex reality of today's racial landscape, from white privilege and police brutality to systemic discrimination and the Black Lives Matter movement.

Ibram X. Kendi argues that racist ideas in America have a long and lingering history.

You're British. Your parents are British. You were raised in Britain. Your partner, your children and most of your friends are British. So why do people keep asking you where you are from?

As the United States celebrates the nation's "triumph over race" with the election of Barack Obama, the majority of young black men in major American cities are locked behind bars or have been labeled felons for life.

Ibram X. Kendi asks us to think about what an antiracist society might look like, and how we can play an active role in building it.

Follows eight families in Milwaukee as they struggle to keep a roof over their heads

For families and communities who want to equip their children to be active and able participants in a society that is becoming one of the most racially diverse in the world.

Teaches readers how to dismantle the privilege within themselves so that they can stop (often unconsciously) inflicting damage on people of colour, and in turn, help other white people do better, too

Reni Eddo-Lodge offers a timely and essential new framework for how to see, acknowledge and counter racism.

Natives speaks directly to British denial and squeamishness when it comes to confronting issues of race and class that are at the heart of the legacy of Britain's racialised empire.

Ifemelu and Obinze are young and in love when they depart military-ruled Nigeria for the West. Fifteen years later, they reunite in a newly democratic Nigeria.

A brilliant and moving history of the American people from the point of view of those whose plight has been largely omitted from most histories.

Nn eye-opening account of growing up Black, Christian, and female in middle-class white America.

A startling and gripping reexamination of the Jim Crow era, as seen through the eyes of some of the most important American writers

A physician reveals how right-wing backlash policies have mortal consequences—even for the white voters they promise to help.

Chronicling the emergence of deeply embedded notions of black people as a dangerous race of criminals this book reveals the influence such ideas have had on urban development and social policies

A dramatic new retelling of US history filled with the stories and voices of people previously left out

Debunking the myth that the Civil War released the nation from the grip of oligarchy, it reveals how and why the Old South not only survived in the West, but thrived.

Books aimed at children

There used to be an empty chair at the back of my class, but now a new boy called Ahmet is sitting in it. A warm, eloquent and thought-provoking story, beautifully told through the eyes of a child

Antiracist Baby introduces the youngest readers and the grown-ups in their lives to the concept and power of antiracism.

Jane Elliott

Teacher, lecturer, diversity trainer

HER MISSION:

One Race.

Jane Elliott, internationally known teacher, lecturer, diversity trainer, and recipient of the National Mental Health Association Award for Excellence in Education, exposes prejudice and bigotry for what it is, an irrational class system based upon purely arbitrary factors. And if you think this does not apply to you. . . you are in for a rude awakening.
